撮影地点	③冒険広場
夏季	 <p>A wide-angle photograph of a large, flat, open field during summer. The foreground is a paved area with some sparse green grass. The middle ground is a vast, flat expanse of land with scattered green patches and a few small trees. In the distance, there are utility poles and a low-lying town or city under a bright blue sky with scattered white clouds.</p>
秋季	 <p>A wide-angle photograph of the same Adventure Square field during autumn. The landscape is similar to the summer photo, but the vegetation is more sparse and brownish. The sky is a pale, overcast blue. The paved area in the foreground shows some water puddles, and the overall atmosphere is more muted and cooler than in the summer photo.</p>

冬季	 <p>A wide-angle photograph of a vast, flat, brownish field in winter. The ground is mostly bare with some patches of snow. In the background, a city skyline is visible under a blue sky with scattered white clouds. A utility pole with wires is in the middle ground. A leafless tree is on the left side of the frame.</p>
春季	 <p>A wide-angle photograph of the same field in spring. The ground is a mix of brown earth and green grass. There are some small puddles of water. The background city skyline is visible under a clear blue sky. A utility pole with wires is in the middle ground. A leafless tree is on the left side of the frame.</p>

撮影地点	④井土浦
夏季	 <p>A wide-angle photograph of a landscape in summer. The foreground is dominated by lush green grass and dense, tall vegetation. In the middle ground, a concrete structure, possibly a dam or a bridge pier, extends into a body of water. The background shows a hazy horizon with distant buildings and mountains under a blue sky with scattered white clouds.</p>
秋季	 <p>A wide-angle photograph of the same landscape in autumn. The vegetation has turned a mix of brown, tan, and yellow, indicating the season. The concrete structure and the body of water are still visible. The background features a clear blue sky with some light clouds, and a white bridge is visible in the distance.</p>

<p>夏季</p>	 <p>A photograph of a rural landscape in the Nanao area during summer. The foreground is dominated by tall, dry, golden-brown grasses and some green weeds. A dirt path or road runs through the middle ground. In the background, there are utility poles, a white car, and some industrial buildings under a cloudy, overcast sky.</p>
<p>秋季</p>	 <p>A photograph of the same rural landscape in the Nanao area during autumn. The vegetation is mostly dry and brown. There are several small, shallow puddles of water scattered across the field, reflecting the sky. The sky is a clear, bright blue with a few scattered white clouds. Utility poles and buildings are visible in the distance.</p>

<p>夏季</p>	 <p>A wide-angle photograph of a paved road in the Aburahi area during summer. The road has white lane markings and leads into the distance. On the left side of the road, there are concrete structures, possibly foundations for buildings, with lush green grass and weeds growing around them. The background shows a flat landscape with some buildings and utility poles under a blue sky with scattered white clouds.</p>
<p>秋季</p>	 <p>A wide-angle photograph of the same paved road in the Aburahi area during autumn. The road and its lane markings are visible. The vegetation on the left side, including the grass and weeds around the concrete structures, has turned brown and dry, indicating the change in season. The background landscape and sky are similar to the summer photo, with a clear blue sky and some clouds.</p>

夏季	 <p>A photograph taken in summer showing a long, straight asphalt road running parallel to a concrete drainage ditch. The ditch has several rectangular openings. To the right of the ditch is a large, flat, sandy area. In the background, there are some trees and a white, arched structure, possibly a greenhouse or a covered walkway. The sky is clear and blue.</p>
秋季	 <p>A photograph taken in autumn of the same scene as the summer photo. The road and drainage ditch are visible. The vegetation on the left side of the road appears more sparse and dry. The white arched structure is still present in the background. The sky is a pale blue with some light clouds, suggesting a clear day.</p>
