

For Citizens of Sendai

Proper Waste Disposal to Prevent the Spread of the Novel Coronavirus

〈Prevent garbage bag breakage and waste spillage〉

- Do not put too much waste in the garbage bag, thoroughly remove the air and fasten the opening.

〈Prevent yourself catching the virus〉

- Do not touch garbage with bare hands.
- After disposing of waste, wash your hands and gargle thoroughly

〈Prevent birds and animals from scattering waste〉

- Put out waste by 8:30 on the morning of the collection day and cover with the net.

When you have flu-like symptoms such as a cough or sneeze

Important

〈How to dispose of soiled tissue paper, masks and other (ex. diapers, sanitary napkins)〉

- Put them in the plastic bag and seal it first, and then put in the designated prepaid garbage bag and dispose with other waste.

Please be mindful of the safety of collection workers.
