Sendai Municipal Minami Koizumi Junior High School Night School

○ What is the Junior High School Night School?

- There are people in Sendai who have not been able to complete compulsory education for various reasons, such as those who have been unable to attend school up until now due to various circumstances, or foreign national residents who have not completed compulsory education in their home countries. In order to respond to these desires to "learn once again", Sendai City has established a Night School for those who qualify within Sendai Municipal Minami Koizumi Junior High School.

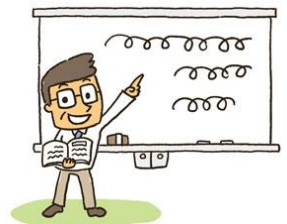

○ Who Can Enroll in the Junior High School Night School? (Regarding Application Qualifications)

- Those currently residing in Miyagi Prefecture who fall into one or more of the categories below are eligible to apply to attend the school.
 - ① Those who have exceeded school age without having completed compulsory education.
 - ② Those who have graduated from Junior High School without having received a sufficient education due to various reasons such as being unable to attend school.
 - ③ Those foreign national residents who have exceeded school age without having completed compulsory education in their home countries or within Japan.

※ Current Junior High School students can not apply to attend.

○ How Many People Can Attend?

- Roughly 20 first year students and a small number of second and third year students are being recruited.
- If the number of students wishing to enroll exceeds the maximum number of students being recruited for this class, a lottery may be held.

○ What Will We Study?

- Students will study the same subjects that Junior High School students during the day do, including Japanese language, mathematics, social studies, science, English, music, art, health and physical education, home economics, moral education, and integrated studies. They will also participate in other school activities, too.
- Teachers with a Junior High School teaching license will teach the classes.
- Those who complete all of the courses in full will be considered to have the equivalent education as someone who has graduated from a Junior High School.

○ About the Classes

- Classes are held Monday through Friday from 17:30~21:00.
- Students will have the same holidays as the day time Junior High School students, including summer vacation, winter vacation and other holidays.
- Each class is 40 minutes in length, with 4 classes a day, for a total of 20 lessons per week.
- Classes will be conducted in Japanese.
- For those who do not know Japanese, you will be provided Japanese language support during class, but you will not be allowed to participate in only the Japanese language classes (you must attend all subject classes).

○ Other Information

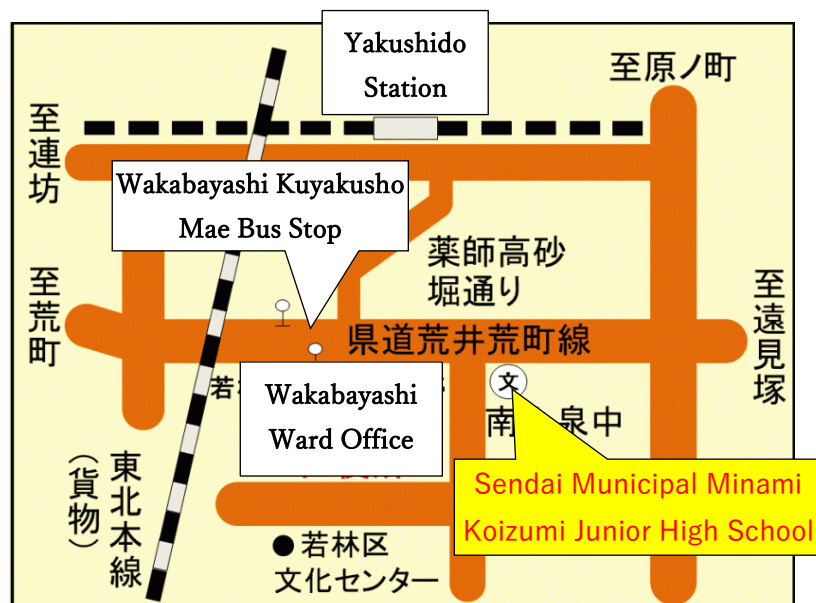

- You can enroll even if you are working. It is ok to work outside of class hours while attending.
- You can dress as you like. There are no school uniforms.
- School lunch is not provided.
- There are no tuition fees. Textbooks will be distributed free of charge.
- Students will be charged for necessary study related expenses associated with teaching materials, training fees, etc.
